The Cascades has a long history in the Jackson community and surrounding area. It plays a vital role in our local economy and pride in our community. Each summer, The Cascades hosts many events which bring in thousands of visitors from around the community area and the world. So, with the beginning of Phase 1 of the restoration process, we welcome the media and public to join us as we witness the demolition of The Wall.

We look forward to the continued support from the community in our endeavor to renovate and preserve our community icon, The Cascades. For more information regarding this announcement, please contact Scott Robbins, Parks and Fair Director, by phone at (517) 768-2917 or by email at srobbins@co.jackson.mi.us.
