**Press Release  
March 25, 2015**

**Emmons Service Inc. Donates \$10,000 to  
The Cascades Renovation Project**

Emmons Service Inc., a local waste hauler serving Jackson County since 1918, has made a generous donation of \$10,000 to the Cascades Renovation Project. These monies will go towards Phase II of the six phases of the project. Phase II will be the first stage of the renovation of the electrical, mechanical and plumbing components of the heart of The Cascades. This work will entail a new electrical and pumping building and new piping to fill and operate The Cascades. Included in this portion of the project will be the design and installation of two splash pads which will be located at the base of The Cascades for the public to enjoy.

Thank you Emmons Service Inc. for your donation towards the renovation and continued preservation of The Cascades.

The County of Jackson and the Jackson County Parks and Recreation Department look forward to the continued support from the community in our endeavor to renovate and preserve our community icon, The Cascades. For more information regarding this announcement, please contact Jeff Hovarter, Parks Director, by phone at (517) 768-2901 or by email at [jhovarter@co.jackson.mi.us](mailto:jhovarter@co.jackson.mi.us).
